

1 Terri.

2 Overall, I found this to be some of
3 the most comprehensive and insightful
4 trainings I have received over my years
5 at ENI.

6 Because:

7
8 Gave me better insight on how my
9 communication style + my boss' differ.

10
11 A great template to use to organize
12 myself in having to address issues
13 with associates.

14
15 Incentive to be a better listener.

16
17 Thank you!
