RE: Testimonial

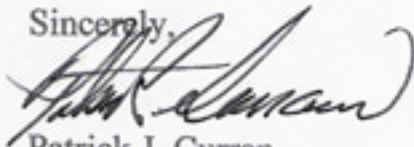

Dear Terri,

It is with great pleasure that I write to thank you for the wonderful service you have provided us within the last two years. We also have a very secure feeling knowing that we are able to use you as a resource when dealing with complex issues within our work environment.

Inspired Training Institute, Inc. has been an invaluable resource for us. We have become a better company knowing whom we are and how we should communicate to each other based on personality profiles. Each department has become enlightened on how change affects our business as a whole by completing the mapping of our processes. Finally, we were able to create a team of people that will lead the company in policy and vision. By doing so we will bring our company to the next level in service and value.

We've had nothing but positive experiences with you and your organization and we look forward to our future business opportunities with Inspired Training Institute, Inc.

Sincerely,

Patrick J. Curran
